Product Description

We offer lucite cast acrylic sheets for bathtub shells. Used in the finest spa and bath designs. Our timeless solids and complex patterns offer a luxurious finish to any vision of relaxation. Lucite spa and lucite bath continuous cast acrylic sheet is the preferred choice of manufacturers worldwide. We have rich and lustrous colors complement your relaxing bath vision. Continuous cast cross-linked acrylic sheet is specially formulated for superior thermoforming and chemical and stain resistance properties compared to other acrylic sheet products. Cross-linked acrylic is used primarily for production of bath ware and spas in which the thermoformed acrylic sheet is reinforced with fiberglass and polyester resins.
