## Product Description

Factory Transparent Clear Price Cast Acrylic Plastic Sheets 2mm 3mm 4mm 5mm 6mm 8mm 10mm 12mm

### Clear Cast Acrylic Sheet

Acrylic has high transparency, light transmittance of 92%, and has the reputation of "plastic crystal". And has excellent weather resistance, especially for outdoor use, ranking first among other plastics, and has good surface hardness and gloss, processing plasticity, and can be made into various shapes and products required. In addition, there are many kinds of plates and rich colors (including translucent color plates), and another feature is that thick plates can still maintain high transparency.
