## Product Description

### Textured Acrylic Sheet:

Our Product Introduction

for more products please visit us on [perfectplastic8.com](http://perfectplastic8.com)

Transparent acrylic is a versatile plastic material that has great impact strength while maintaining its light weight. This type of acrylic sheet has the unique property of being non see-through, but allowing certain degrees of light transmission enabling it to act as a colored or tinted window. This acrylic is very easy to work with for projects that require fabrication. Transparent color acrylic is ideal for outdoor signs.

We supply 100% virgin lucite and mitsubishi MMA acrylic sheet, our corporation has passed the strict quality system certifications, like ISO9001, ISO14001, SGS and so on, properties like :Resistance to UV/Impact. Good processability, extraordinary resistance to scratch, high light transmittance, Up to 93% and Will not turn yellowish and fade at least 5-6 years.

It can be used for indoor and outdoor decoration and artistic concept expression. It can also be used to guide signs, interpretive guides and various usability and artistic carriers.
