Product Description

Custom Acrylic Photo Frames With Wooden Base

1. It stands firmly and beautifully, durable and practical.
2. The design of the diagonal line groove in the frame makes it more tough and three-dimensional.
3. Acrylic is an ideal material for picture display with high transmittance. Made of high-definition acrylic panel, which is more translucent than glass, it is safe and not fragile.
4. The frame is polished many times, and the whole body is smooth and delicate, and it is oiled.
5. Easy to install, easy to use, easy to clean, easy to replace new photos.

High light transmission
Light weight

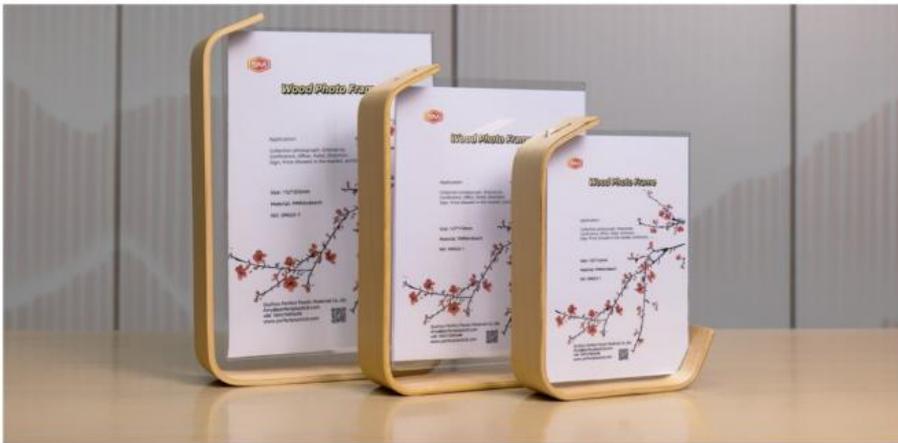

Our acrylic photo frame can be used for photo display, print display. With its good function and beautiful appearance, we sell a lot to our customers.

QUZHOU PERFECT PLASTIC MATERIAL CO.,LTD

is a cast acrylic sheet manufacturer, and we also supply PVC foam sheet and acrylic products for our customers. The company planning a total investment of 150 million RMB to produce acrylics 30,000 tons every year. Now our company has cooperated with hundreds of customers around the world, especially in Middle East, Latin America, Europe and North America, achieving around 4,000,000 USD sales amount and exporting over 200 containers each year. Our main product is acrylic sheet, acrylic sheet has many excellent properties, such as light in weight, elegance and easy-processing and so on, and it can be used as outdoor advertising, light box, signs, and because of its weather resistance, compared to low quality goods, the color will not fade easily, and the light box will stay like new always.

Shan-Mei PLASTIC keeps on innovating technology & production and developing the production capacity and quality stability, which helps to offer our customers products with good price and stable quality. Our concept of considering both quality and service are equally important and performance gain trust from customers. If you choose us, we will never let you down.
