Product Description

New Design acrylic photo frame acrylic picture frame acrylic magnetic photo frame

Acrylic, as a new and advanced material, has different great uses in various fields. Among them, the unique high-quality and high-transparency beauty is particularly prominent, which is simple and generous to highlight various products.

The Acrylic Picture Frame with Magnetic, double side transparent and clear, can be used as a single or double sided frame. This frame can hold two pictures back-to-back. Pictures can be displayed either vertically or horizontally. Great for displaying baby photo, family photos, post cards, ticket stubs, trading cards, currency, awards etc.

And we used four small and strong magnets to securely hold the super-clear acrylic blocks together

Our magnetic acrylic photo frame can be used for photo display, print display. With its good function and beautiful appearance, we sell a lot to our customers.

There are three types of magnetic acrylic photo frame: one side lean, two sides lean, two side flat
