## Product Description

### Product Description:

The natural wood base of the Acrylic Photo Display with Wood Base adds a touch of warmth and sophistication to the overall design. The base is carefully crafted to provide stability and support for the frame, ensuring that your photos remain upright and secure. The natural wood finish also complements a wide range of interior design styles, making this acrylic photo frame a versatile addition to any home or office.

When you order the Acrylic Photo Frame with Wood Base and Stand, you can expect to receive your product within 7-15 working days.

We take pride in our fast and reliable delivery service, so you can start enjoying your new photo frame as soon as possible.

This acrylic photo frame is designed for vertical photo orientation, making it perfect for portrait shots or other vertically-oriented images.

The free-standing design of the frame allows you to display your photos on any flat surface, such as a desk, shelf, or table. The clear acrylic material also gives the impression that your photos are floating, adding a unique and eye-catching element to your home decor.

In summary, the Free Standing Acrylic Photo Frame with Wood Base is a stylish and practical way to showcase your favorite photos. With high light transmission, a sturdy frame thickness, a natural wood base, and a versatile vertical orientation, this acrylic photo frame is sure to become a cherished addition to your home or office. Order now and start displaying your memories in style!
