## Product Description

### Product Description:

The high light transmission of the Acrylic Image Frame with Wood Base ensures that your photos will always look their best. The frame is made from high-quality acrylic, which is known for its durability and resistance to shattering. This makes it a great option for households with children or pets where accidents can happen. The top-loading feature of the frame makes it easy to insert and switch out photos as often as you like.

Our Acrylic Photo Frame with Wood Base is also customizable, accepting OEM orders for those who want to add a personal touch to their frames. This feature makes it a perfect gift option for weddings, anniversaries, or graduations, allowing you to add a personal touch to your loved one's special moments.

The wood base of this Acrylic Photo Frame with Wood Base and Stand adds a warm and natural element to the overall design. The combination of the acrylic and wood materials creates a beautiful contrast that will complement any style of decor. The free-standing feature of the frame allows it to be displayed on any flat surface, making it a versatile option for any room in your home or office.

In conclusion, the Free Standing Acrylic Photo Frame with Wood Base is a high-quality, customizable, and versatile option for displaying your favorite vertical photos. The combination of the acrylic and wood materials creates a modern and elegant look that will complement any decor style. With its top-loading feature and customizable options, this Acrylic Photo Frame with Wood Base is a perfect gift option for any special occasion.
