## Product Description

### Product Description:

The frame thickness of this Acrylic Picture Holder with Wooden Base is 0.5 inches, which is perfect for displaying larger photos or art. The wooden base of this Acrylic Photo Mount with Wood Base adds a touch of style to the overall design of the product.

One of the best things about this product is that it is eco-friendly. If you are someone who is concerned about the environment, then this product is perfect for you. It is made of high-quality materials that are designed to last, so you won't have to worry about it breaking or deteriorating over time.

Another great feature of this product is its good quality. You can be sure that your photos will be displayed in the best possible way, thanks to the clear acrylic front and high light transmission. This product is perfect for displaying family photos, artwork, or any other type of photo that you want to show off.

In summary, the Acrylic Picture Frame with Wooden Base, also known as the SM017, is a great product for anyone who wants to display their favorite photos in the best possible way. The clear acrylic front and high light transmission make it perfect for displaying photos of all kinds, while the wooden base adds a touch of style to the overall design. Additionally, this product is eco-friendly and of good quality, so you can be sure that it will last for years to come.

### Applications:

Our Acrylic Picture Holder with Wooden Base is made from high-quality acrylic and features a natural wood base. The frame thickness is 0.5 inches, making it durable and sturdy enough to stand up to everyday use. Plus, with our customized options, you can choose your own design or add your company logo for a personalized touch.

Whether you're looking to display family photos, wedding pictures, or artwork, this Acrylic Picture Holder with Wooden Base is the perfect choice. It's ideal for use in a variety of settings, including homes, offices, and retail spaces. Plus, the sleek and modern design makes it a great addition to any decor.

Our Acrylic Picture Holder with Wooden Base is also easy to use. Simply slide your photo or artwork into the frame and place it on any tabletop or surface. The clear acrylic material ensures that your image is the focus, while the natural wood base adds a touch of warmth and sophistication.

With a production process that includes cutting, polishing, and printing, you can rest assured that our Acrylic Picture Holder with Wooden Base is made with the highest quality standards. And with a delivery date of just 7-15 working days, you won't have to wait long to start displaying your favorite memories.

In summary, if you're looking for a stylish and modern way to display your favorite photos, artwork or prints, our Acrylic Picture Holder with Wooden Base is the perfect choice. With its customizable options, durable construction, and sleek design, it's ideal for use in any space or setting. So why wait? Order yours today and start showcasing your memories in style!
