Product Description

2.8mm 3mm Plexiglass Cast Acrylic sheet

Features:

High Gloss finish and east to clean
Weather resistance
Light weight material

Acrylic sheet is a new type of indoor and outdoor decorative material, a new type of self-luminous acrylic material synthesized from acrylic and luminous raw materials. This fluorescent acrylic plate can excite and store light in various visible light sources, and will emit light by itself when there is no light source, and has the characteristics of high brightness and long duration. And it has strong toughness, flame resistance, and the reputation of "plastic crystal", excellent weather resistance, especially for outdoor use, ranking first among other plastics, and has good surface hardness and gloss.

It can be used for indoor and outdoor decoration and artistic concept expression. It can also be used to guide signs, interpretive guides and various usability and artistic carriers.

100% customer satisfaction
Perfect quality system certification

100% Top-grade cast acrylic
sheets made from only
100% virgin raw material.

QUZHOU PERFECT PLASTIC MATERIAL CO.,LTD

25 YEARS

QUZHOU PERFECT PLASTIC MATERIAL CO.,LTD
our corporation has passed the strict quality system certification, like ISO9001, ISO14001, SGS and so on, properties like :Resistance to UV/Impact. Good processability, extraordinary resistance to scratch, high light transmittance, Up to 93% and Will not turn yellowish and fade at least 5-6 years.

is a cast acrylic sheet manufacturer, and we also supply PVC foam sheet and acrylic products for our customers. The company planning a total investment of 150 million RMB to produce acrylics 30,000 tons every year. Now our company has cooperated with hundreds of customers around the world, especially in Middle East, Latin America, Europe and North America, achieving around 4,000,000 USD sales amount and exporting over 200 containers each year. Our main product is acrylic sheet, acrylic sheet has many excellent properties, such as light in weight, elegance and easy-processing and so on, and it can be used as outdoor advertising, light box, signs, and because of its weather resistance, compared to low quality goods, the color will not fade easily, and the light box will stay like new always.

Shan-Mei PLASTIC keeps on innovating technology & production and developing the production capacity and quality stability, which helps to offer our customers products with good price and stable quality. Our concept of considering both quality and service are equally important and performance gain trust from customers. If you choose us, we will never let you down.
