## Product Description

### Solid Color Cast Acrylic Sheet 20mm Thick High-Transparency Panel for Custom Fabrication

#### Cast Colored Acrylic Sheet - Vibrant Pigment & UV-Resistant Colorful Plastic Panel

Our cast colored acrylic sheet boasts a vibrant, consistent hue paired with a smooth, uniform surface that is easy to cut, drill, bend, and polish, making it highly versatile for both decorative and functional applications. Ideal for interior decor accents, custom signage, exhibition displays, retail fixtures, lighting covers, or creative DIY projects, this sheet merges eye-catching color saturation with reliable practicality. At half the weight of glass, it enables easy installation and transportation while retaining excellent UV resistance to prevent fading and strong chemical resistance to common cleaners.
