Product Description

Fuchsia Pink Cast Acrylic Sheet - High Transparency Decor & Display Grade Panel

Our cast acrylic sheet is a high-grade decor-and-display panel with high transparency, ideal for diverse decoration and display production applications. It features a bright, consistent fuchsia pink finish that is easy to cut, engrave, print and bond, perfect for crafting interior wall decorations, retail store display stands, brand showcase backdrops and promotional exhibition booths. Ideal for custom home decor accents, commercial display shelves, boutique window displays and event backdrop setups, this sheet pairs vibrant fuchsia pink aesthetics with robust performance. Lighter than glass and more shatterproof than standard plastic, it enables effortless transportation and installation while retaining excellent scratch resistance, color stability and protection against indoor humidity and minor impacts.

Sample	Available

High Transparency & Consistent Color

- Avoid frequent contact with corrosive chemicals or long-term unprotected direct sunlight on the cast acrylic sheet, as these may reduce its transparency and cause discoloration.
- Avoid prolonged contact with sharp/hard objects on the sheet's surface or exposure to strong chemical solvents during use to prevent surface damage and maintain its high transparency & consistent color.

Key Features

- **High Transparency**
- **Easy Fabrication**
- **Lightweight**
- **Shatterproof**
- **Excellent Scratch Resistance**
- **Humidity Resistance**
- **Superior Color Stability**
