

## 22mm Orange Acrylic Sheet for Display Stand Manufacturing

### Our Product Introduction

#### Basic Information

- Place of Origin: China
- Brand Name: SM
- Certification: ISO9001:2015,CE, DE,ROHS,REACH etc.
- Model Number: SM415
- Minimum Order Quantity: 2000kgs
- Price: 1-200kg, \$3/kg
- Packaging Details: PE film or Craft Paper
- Delivery Time: 25-30days
- Payment Terms: L/C,T/T,Western Union,Paypal
- Supply Ability: 2000PCS 25-30days

#### Product Specification

- Material: Acrylic
- Product: Cast Acrylic Sheet
- Raw Material: 100% Virgin MMA
- Model: SM415
- Packing: PE Film Or Craft Paper
- Origin: Zhejiang, China
- Processing Service: Cutting, Moulding
- Color: Customizable
- Light Transmission: High
- Customized: Accept OEM
- Chemical Resistance: Good
- Density: 1.19-1.20g/cm3
- Sample: Available
- Type: Cast Forming

## Product Description

### Orange Acrylic Sheet - High-Impact Display Stand Manufacturing Grade Panel

Our orange acrylic sheet is a robust high-impact panel specialized for display stand manufacturing, ideal for diverse custom display rack fabrication and promotional exhibit frame building applications. It features a vibrant, uniform orange finish that is easy to cut, shape, laminate and seal, perfect for crafting heavy-duty retail product display stands, commercial promotional exhibit frames, trade show booth display structures and branded pop-up display enclosures. Ideal for bespoke retail store fixture setups, mall promotional exhibit projects, trade show booth installations and brand activation display fixtures, this sheet pairs striking orange aesthetics with display-grade durability. Lighter than glass and more shatterproof than standard plastic, it enables effortless transportation and installation while retaining excellent impact resistance, color stability and protection against frequent physical handling, ambient temperature fluctuations and minor surface scuffs.

### Specifications

Place of Origin	Zhejiang, China
Brand Name	SM
Material	Acrylic
Size	1220*2440mm, 1220*1830mm and other custom sizes
Thickness	1.8-40mm

Technology	Cast
Certificate	ISO9001, CE, ROHS, etc.
Color	Any custom colors
Delivery	15-30 days
Density	1.19g-1.20/cm <sup>3</sup>
Sample	Available

### Color Stability & Impact Resistance

- Avoid prolonged exposure to direct sunlight, high heat or harsh chemicals, as these can cause color fading, compromising structural integrity and service life in display applications.
- Avoid subjecting the orange acrylic sheet to heavy impacts, sharp blows or prolonged contact with abrasive materials, as these may damage the surface structure and compromise its impact resistance, leading to cracks, chips and reduced service life in display stand applications.

### Key Features

- **High-Impact Strength**
- **Superior Color Stability**
- **Easy Fabrication**
- **Lightweight Design**
- **Shatterproof Performance**
- **Surface Scuff Resistance**
- **Structural Integrity**
