- Price: 1-200kg, \$3/kg
- Packaging Details: PE film or Craft Paper
- Delivery Time: 25-30days
- Payment Terms: L/C, T/T, Western Union, Paypal
- Supply Ability: 2000PCS 25-30days

Product Specification

- Material: Acrylic
- Product: Cast Acrylic Sheet
- Raw Material: 100% Virgin MMA
- Model: SM421
- Packing: PE Film Or Craft Paper
- Origin: Zhejiang, China
- Processing Service: Cutting, Moulding
- Color: Customizable
- Light Transmission: High
- Customized: Accept OEM
- Chemical Resistance: Good
- Density: 1.20g/cm3
- Sample: Available
- Type: Cast Forming

Product Description

Colored Cast Acrylic Sheet For Retail Shelf

Our 20mm colored cast acrylic sheet is a retail shelf display-grade panel with smooth polishing finish, ideal for diverse retail fixture fabrication and product showcase applications. It features a vivid, uniform color surface that is easy to cut, engrave, print and bond, perfect for crafting retail shelf display racks, product showcase stands, brand promotional backdrops and boutique window display props. Ideal for custom commodity display shelves, premium product counter exhibits, pop-up store fixtures and sample display units, this sheet pairs striking colored aesthetics with reliable display-grade performance. Lighter than glass and more shatterproof than standard plastic, it enables effortless transportation and installation while retaining excellent scratch resistance, color stability and protection against indoor humidity fluctuations and minor physical.

Density	1.20g/cm ³
Sample	Available

Smooth Polishing & Lightweight Shatterproof

- Avoid coarse/unpolished buffing pads and uneven/excessive pressure during polishing the colored cast acrylic sheet, as these may cause scratches, uneven gloss and residual marks, compromising its smooth polished finish and retail display-grade aesthetics.
- Do not drop the sheet from height, subject it to heavy impact during transportation, or stack excessive weight on it for long periods, as these may cause hidden cracks, edge chips and structural damage, and compromise its lightweight shatterproof performance for retail shelf display applications.

Key Features

- **Smooth Polishing**
- **Uniform Color**
- **Lightweight & Shatterproof**
- **Scratch Resistant**
- **Humidity Resistant**
- **Impact Resistant**
- **Easy Installation**
