- Material: Acrylic
- Product: Cast Clear Acrylic Sheet
- Raw Material: 100% Virgin MMA
- Model: SM423
- Packing: PE Film Or Craft Paper
- Origin: Zhejiang, China
- Processing Service: Cutting, Moulding
- Color: Customizable
- Light Transmission: High
- Customized: Accept OEM
- Chemical Resistance: Good
- Density: 1.19g/cm3
- Sample: Available
- Type: Cast Forming

Product Description

Colored Clear Acrylic Sheet For Decorations

Our colored clear acrylic sheet is an exhibition booth decoration-grade panel, ideal for diverse booth layout fabrication and brand image display applications. It features a crystal-clear, uniform color surface that is easy to cut, engrave, print and bond, perfect for crafting exhibition backdrop walls, product display pedestals, brand logo signages and interactive booth decorative props. Ideal for custom modular exhibition stands, premium product showcase zones, pop-up exhibition booths and thematic display corners, this sheet pairs striking colored-transparent aesthetics with reliable decoration-grade performance. Lighter than glass and more shatterproof than standard plastic, it enables effortless transportation and installation while retaining excellent scratch resistance, color stability and protection against indoor venue temperature variations and minor physical impacts.

| Sample | Available |

Vivid Transparency & Shatterproof Durability

- Avoid abrasive cleaners and rough cloths when maintaining the vividly transparent colored clear acrylic sheet, as these may cause scratches and haze, ruining its light transmission and colored-transparent display aesthetics.
- Do not prolonged unprotected sunlight exposure, which can cause fading and yellowing, reducing its vivid color saturation and crystal clarity.

Key Features

- Excellent Transparency
- Easy Fabrication
- Superior Impact Resistance
- Lightweight Design
- Excellent Scratch Resistance
- Stable Color Retention
- Humidity & Temperature Resistant
- Versatile Application
