Mirror Cast Acrylic Sheet For Decoration

Our mirror acrylic sheet is a premium decorative panel available in 2mm-6mm thickness, with a high-clarity reflective surface and excellent flexibility for easy installation. It features a strong self-adhesive backing that allows direct pasting on smooth walls, doors, cabinets and furniture surfaces without complicated tools. The sheet delivers a bright, uniform reflection with no distortion, while being lighter and safer than traditional glass mirrors. It is easy to cut, trim and shape to fit any wall space, corner design or custom decorative area. Shatter-resistant and durable, it avoids the risk of broken glass and provides long-term stability for indoor wall decor. The flexible material fits gently on most flat and slightly curved surfaces, expanding its application in modern home styling. Ideal for living room feature walls, bedroom decor, TV background walls, wardrobe doors, hallway decorations and DIY wall art, this self-adhesive mirror acrylic sheet combines practicality, safety and elegant visual effects. It is simple to clean, moisture-resistant and long-lasting, making it the perfect choice for home decoration, rental room upgrades, interior renovation and DIY decoration lovers.
