Product Description

Clear Acrylic Sheet 25mm for Restaurant Food Guards

Our 25mm clear acrylic sheet is specifically engineered for restaurant food guard applications, providing excellent hygiene, durability, and safety. The smooth non-porous surface resists bacteria growth and is easy to clean, while the substantial thickness delivers strong impact resistance for long-lasting performance in commercial dining environments.

Frequently Asked Questions

Can you produce according to the samples?

Of course, OEM welcome!

How can I get the sample?

Small samples are available for free, you only need to pay for shipping.

How long can I expect to get the sample?

We prepare samples within 3 days, with delivery typically taking 5-7 days.

What is your MOQ?

Minimum order quantity is 26 pieces for each size.

Do you test all your goods before delivery?

Yes, we have strict quality inspections and provide photos before shipment. Our dedicated R&D team ensures every product meets your requirements.

What is your lead time for mass production?

Normally 25-30 days.

What is your payment term?

We accept T/T, L/C, PayPal, and Western Union.

How do you pack the products?

Each sheet is covered by PE film or craft paper, then palletized in 1.5-ton packages.
