Meta Description

Acrylic sheet is ideal for wholesale, custom wall decor and sign making. It boasts high reflectivity, a smooth flawless surface and pure black color for modern luxury interior and commercial visuals. Made of premium PMMA, it is shatterproof, impact-resistant and lighter than glass for safe installation and use. Easy to cut, laser engrave and bend, it supports custom sizes and shapes. Widely used for background walls, hotel lobbies, store signage, logo boards, exhibition displays and commercial renovation.

Why Choose Our Mirror Acrylic?

- **High Gloss Mirror Finish:** Boasts exquisite black mirror luster with even color distribution, creating a sophisticated upscale ambiance for wall decoration and sign production.
- **Excellent Machinability Performance:** Supports laser carving, pattern etching and precise slicing, perfectly meeting personalized customization needs for various decorative and signage designs.
- **Impact & Pressure Resistant Structure:** Tough integrated panel structure with strong compression resistance, not easy to deform during transportation, installation and daily application.
- **Versatile Application Scenarios:** Tailored for interior backdrop styling, commercial brand signs, exhibition display layouts and boutique space decorative design.

Key Features

Frequently Asked Questions

Can you produce according to the samples?

Of course, OEM welcome!

How can I get the sample?

Small samples are available for free, you only need to pay for shipping.

How long can I expect to get the sample?

We prepare samples within 3 days, with delivery typically taking 5-7 days.

What is your MOQ?

Minimum order quantity is 26 pieces for each size.

Do you test all your goods before delivery?

Yes, we have strict quality inspections and provide photos before shipment. Our dedicated R&D team ensures every product meets your requirements.

What is your lead time for mass production?

Normally 25-30 days.

What is your payment term?

We accept T/T, L/C, PayPal, and Western Union.

How do you pack the products?

Each sheet is covered by PE film or craft paper, then palletized in 1.5-ton packages.

About Quzhou Perfect Plastic Material Company

Established in 2010, we are a professional cast acrylic sheet factory located in Quzhou City, Zhejiang Province. Our 27,729 square meter facility houses experienced staff with over 25 years of expertise and an annual capacity of 12,000 tons. We maintain a dedicated R&D team that develops products according to customer requirements.

We supply 100% virgin Lucite and Mitsubishi MMA acrylic sheets, as well as mixed material sheets at competitive prices. Our products meet strict quality certifications including ISO9001, ISO14001, and SGS, featuring UV/impact resistance, excellent processability, scratch resistance, and up to 93% light transmittance that remains stable for 5-6 years without yellowing or fading.

We offer OEM/ODM services for various acrylic products including boxes, desktop billboards, and signage. Committed to efficient service and timely delivery, we strive to be your long-term reliable partner.
