Sample	Available

Why Choose Our Mirror Acrylic?

Uniform Thin Mirror Gloss & Reflection Effect: Made of high-grade PMMA raw pellets, our thin gauge mirror acrylic sheet maintains even mirror brightness and stable high reflectivity for long-term use.

Stable Anti-yellowing & Anti-deformation Ability: Compact thin plate internal structure avoids warping and discoloration, making it perfect for retail display decoration and light decorative component production.

Ultra-light & Shatterproof Safety Feature: Low-density slim sheet with excellent impact resistance ensures no sharp broken scraps after collision, providing safer indoor installation and daily use.

Flexible Custom Fabrication Support: Various thin thickness options, custom cutting, and simple bending processing are available to satisfy diverse interior design and engineering project requirements.

Key Features

Lightweight Impact Resistant Shatterproof Easy Fabrication Scratch Resistant UV Resistant

We provide free samples (freight paid by customer) and custom size options.

Frequently Asked Questions

Can you produce according to the samples?

Of course, OEM welcome!

How can I get the sample?

Small samples are available for free, you only need to pay for shipping.

How long can I expect to get the sample?

We prepare samples within 3 days, with delivery typically taking 5-7 days.

What is your MOQ?

Minimum order quantity is 26 pieces for each size.

Do you test all your goods before delivery?

Yes, we have strict quality inspections and provide photos before shipment. Our dedicated R&D team ensures every product meets your requirements.

What is your lead time for mass production?

Normally 25-30 days.

What is your payment term?

We accept T/T, L/C, PayPal, and Western Union.

How do you pack the products?

Each sheet is covered by PE film or craft paper, then palletized in 1.5-ton packages.

About Quzhou Perfect Plastic Material Company

Established in 2010, we are a professional cast acrylic sheet factory located in Quzhou City, Zhejiang Province. Our 27,729 square meter facility houses experienced staff with over 25 years of expertise and an annual capacity of 12,000 tons. We maintain a dedicated R&D team that develops products according to customer requirements.

We supply 100% virgin Lucite and Mitsubishi MMA acrylic sheets, as well as mixed material sheets at competitive prices. Our products meet strict quality certifications including ISO9001, ISO14001, and SGS, featuring UV/impact resistance, excellent processability, scratch resistance, and up to 93% light transmittance that remains stable for 5-6 years without yellowing or fading.

We offer OEM/ODM services for various acrylic products including boxes, desktop billboards, and signage. Committed to efficient service and timely delivery, we strive to be your long-term reliable partner.
