

2mm Thick UV Resistant Scratch Resistant Cast Acrylic Panel PMMA Sheet for Signage and Displays

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: SM
- Certification: ISO9001:2015, CE, DE, ROHS, REACH etc.
- Model Number: SM562
- Minimum Order Quantity: 2000kgs
- Price: 1-200kg, \$3/kg
- Packaging Details: PE film or Craft Paper
- Delivery Time: 25-30days
- Payment Terms: L/C, T/T, Western Union, Paypal
- Supply Ability: 2000PCS 25-30days

Product Specification

- Material: Acrylic
- Product: Cast Clear Acrylic Sheet
- Raw Material: 100% Virgin MMA
- Model: SM562
- Packing: PE Film Or Craft Paper
- Origin: Zhejiang, China
- Processing Service: Cutting, Moulding
- Color: Clear Or Any Custom Colors
- Light Transmission: High
- Customized: Accept OEM
- Chemical Resistance: Good
- Density: 1.19g/cm³
- Sample: Available
- Type: Cast Forming

Thick 2mm Colored Acrylic Sheet Raw Material

As a direct wholesale factory of thick 2mm colored acrylic sheet raw material, we adopt uniform extrusion molding to deliver consistent thickness and even color layering. High concentration color masterbatch ensures rich, uniform color without color difference across the acrylic panels. High density raw material brings solid texture, scratch resistance and good impact resistance. This 2mm thick colored acrylic sheet raw material is widely purchased in bulk for signage, shelf display and craft processing industries.

Specifications

Specification	Details
Place of Origin	Zhejiang, China

MOQ	2TONS
Technology	Cast
Certificate	ISO9001, CE, ROHS, etc.
Color	Clear or any custom colors
Delivery	15-30 days
Density	1.19g/cm ³
Sample	Available

Key Advantages

Thickness & Raw Material Performance: Colored acrylic sheet uses virgin PMMA and uniform color masterbatch. Consistent 2mm thickness delivers even color without color difference. Custom sizes and solid colors are available for bulk wholesale.

UV & Color Stability Performance: UV stabilizers are added to stop yellowing and fading under long indoor lighting. Solid colors stay bright for shelves, furniture and ad decorations.

Surface Texture Advantage: 2mm acrylic sheet has firm flat surface with gloss/matte options. No warping after cutting or hot bending, ideal for partitions, supermarket racks and cabinet panels.

Machining Performance: Supports laser cut, drilling, polishing, hot bending and engraving. Smooth processing without cracks, widely used for displays, store fixtures and signs.

Wear & Impact Resistance Performance: Good scratch and impact resistance. Resist abrasion and breakage during transport and use. Keep intact color under frequent friction and collision.

Key Features

- Scratch Resistant
- Impact Resistant
- UV Resistant

- Lightweight
- Anti Yellowing
- Easy Processing
- Customizable

Frequently Asked Questions

Can you produce according to the samples?

Of course, OEM welcome!

How can I get the sample?

Small samples are available for free, you only need to pay for shipping.

How long can I expect to get the sample?

We prepare samples within 3 days, with delivery typically taking 5-7 days.

What is your MOQ?

Minimum order quantity is 26 pieces for each size.

Do you test all your goods before delivery?

Yes, we have strict quality inspections and provide photos before shipment. Our dedicated R&D team ensures every product meets your requirements.

What is your lead time for mass production?

Normally 25-30 days.

What is your payment term?

We accept T/T, L/C, PayPal, and Western Union.

How do you pack the products?

Each sheet is covered by PE film or craft paper, then palletized in 1.5-ton packages.
