Mirror Acrylic Sheet Anti Corrosion Mirror Plastic Board

Product Overview

Mirror Acrylic Sheet Anti Corrosion Mirror Plastic Board is a lightweight anti-corrosion PMMA mirror sheet with stable reflective effect. Its compact structure prevents corrosion damage caused by damp air and mild chemicals. Custom cutting and surface treatment are available to fit all kinds of commercial display and wall decoration projects. Suitable for store fixtures, cabinet panels and outdoor mild-corrosion environment use.

Certificate	ISO9001, CE, ROHS, etc.
Color	Any custom colors
Delivery	15-30 days
Density	1.19g/cm ³
Masking	PE film
Sample	Available

Why Choose Our Mirror Acrylic?

Even Gloss & Superior Anti-Corrosion: High-purity PMMA Mirror Acrylic Sheet delivers uniform reflection. Anti-corrosion coating blocks moisture and chemical erosion for long service life.

Anti-Yellowing & Anti-Deformation: Compact structure avoids discoloration and warping under humid corrosive environments, maintaining flat clear mirror surface.

Lightweight & Shatterproof Safe: Low-density plastic mirror resists impact, no sharp fragments after collision for wet-area and indoor displays.

Flexible Custom Processing: Multiple thicknesses, custom cutting and adhesive backing available for shelves, workshop partitions and wall decor.

Frequently Asked Questions

Can you produce according to the samples?

Of course, OEM welcome!

How can I get the sample?

Small samples are available for free, you only need to pay for shipping.

How long can I expect to get the sample?

We prepare samples within 3 days, with delivery typically taking 5-7 days.

What is your MOQ?

Minimum order quantity is 26 pieces for each size.

Do you test all your goods before delivery?

Yes, we have strict quality inspections and provide photos before shipment. Our dedicated R&D team ensures every product meets your requirements.

What is your lead time for mass production?

Normally 25-30 days.

What is your payment term?

We accept T/T, L/C, PayPal, and Western Union.

How do you pack the products?

Each sheet is covered by PE film or craft paper, then palletized in 1.5-ton packages.

About Quzhou Perfect Plastic Material Company

Established in 2010, we are a professional cast acrylic sheet factory located in Quzhou City, Zhejiang Province. Our 27,729 square meter facility houses experienced staff with over 25 years of expertise and an annual capacity of 12,000 tons. We maintain a dedicated R&D team that develops products according to customer requirements.

We supply 100% virgin Lucite and Mitsubishi MMA acrylic sheets, as well as mixed material sheets at competitive prices. Our products meet strict quality certifications including ISO9001, ISO14001, and SGS, featuring UV/impact resistance, excellent processability, scratch resistance, and up to 93% light transmittance that remains stable for 5-6 years without yellowing or fading.

We offer OEM/ODM services for various acrylic products including boxes, desktop billboards, and signage. Committed to efficient service and timely delivery, we strive to be your long-term reliable partner.
