Key Advantages

Scratch Resistant: 3mm glossy colored clear acrylic sheet features uniform colored transparency without bubbles or impurities, with hard scratch-resistant surface. Moderate light transmittance fits display racks, light box shades and decorative partitions.

Weather & Moisture Corrosion Resistant: Factory pure PMMA raw material endures outdoor sunlight, humid surroundings and slight chemical corrosion. It efficiently avoids oxidation, fading and yellowing during long-time indoor and outdoor use.

Precision Custom Machining & Smooth Edges: All 3mm glossy acrylic panels are factory pre-processed to get smooth burr-free edges. Available for cutting, bending, engraving, drilling and adhesive bonding for various deep processing.

Anti-Aging & Stable Long Service Life: Stable internal molecular structure brings great anti-aging capacity. The sheet keeps fixed shape and consistent transparency under long-term decoration and industrial usage.

Multiple Custom Specifications: Standard 3mm colored clear acrylic sheets in factory stock, OEM custom size cutting and special shaping are acceptable to satisfy various decoration and commercial processing requirements.
