Technology	Cast
Certificate	ISO9001, CE, ROHS, etc.
Color	Any custom colors
Delivery	15-30 days
Density	1.19-1.20g/cm³
Sample	Available

Key Advantages

Wear Resistant Surface

Presents flawless consistent colored light transmission paired with rigid wear-resistant smooth finish. Moderate light permeability fits household storage boxes, desktop sorting trays and bathroom storage partitions perfectly.

Damp UV Resistant

Made of pure compact PMMA substrate to block ultraviolet light and adapt to humid indoor spaces. It greatly prevents surface oxidation, color fading and yellowing during long-term daily home use.

Easy Processing

All gauges of transparent colored PMMA sheets come with factory fine polishing to remove burrs. The blank sheets allow laser cutting, hot bending, carving, hole punching and adhesive bonding for custom storage fittings.

Stable Shape

Stable internal molecular composition delivers outstanding deformation resistance. The sheet keeps intact shape and consistent transparency under daily kitchen, bedroom and bathroom storage usage.

Product Features

Wear Resistant

Moisture Proof

Frequently Asked Questions

Can you produce according to the samples?

Of course, OEM welcome!

How can I get the sample?

Small samples are available for free, you only need to pay for shipping.

How long can I expect to get the sample?

We prepare samples within 3 days, with delivery typically taking 5-7 days.

What is your MOQ?

Minimum order quantity is 26 pieces for each size.

Do you test all your goods before delivery?

Yes, we have strict quality inspections and provide photos before shipment. Our dedicated R&D team ensures every product meets your requirements.

What is your lead time for mass production?

Normally 25-30 days.

What is your payment term?

We accept T/T, L/C, PayPal, and Western Union.

How do you pack the products?

Each sheet is covered by PE film or craft paper, then palletized in 1.5-ton packages.
