- Minimum Order Quantity: 2000kgs
- Price: 1-200kg, \$3/kg
- Packaging Details: PE film or Craft Paper
- Delivery Time: 25-30days
- Payment Terms: L/C, T/T, Western Union, Paypal
- Supply Ability: 2000PCS 25-30days

Product Specification

- Material: Acrylic
- Product: Cast Clear Acrylic Sheet
- Raw Material: 100% Virgin MMA
- Model: SM574
- Packing: PE Film Or Craft Paper
- Origin: Zhejiang, China
- Processing Service: Cutting, Moulding
- Color: Customizable
- Light Transmission: High
- Customized: Accept OEM
- Chemical Resistance: Good
- Density: 1.19g/cm³
- Sample: Available
- Type: Cast Forming

Product Description

1220*2440mm Low MOQ Colored Clear Acrylic Sheet Various Color Transparent Acrylic Panel

Product Overview

Colored Clear Acrylic Sheet features balanced color permeability, high light transmittance, and a hard anti-scratch surface. Standard 1220*2440mm panels support small batch orders and custom cutting for DIY craft production, gift display boxes, and household storage dividers. Fine moisture resistant and anti-yellowing performance maintains clear colorful appearance for daily indoor decoration use.

MOQ	2TONS
Technology	Cast
Certificate	ISO9001, CE, ROHS, etc.
Color	Any custom colors
Delivery	15-30 days
Density	1.19g/cm ³
Sample	Available

Key Advantages

Wear Resistant Surface: Shows even and uniform colored light transmission with smooth, tough wear-resistant surface finish. Proper light transmittance works perfectly for DIY craft works, cosmetic display trays and household storage dividers.

Damp UV Resistant: Manufactured from high-purity PMMA raw material to isolate UV rays and fit humid indoor scenarios. Effectively avoid surface oxidation, color fading and yellow discoloration during long-time home storage application.

Easy Processing: Full-size 1220*2440mm colored clear acrylic sheets are finely polished without burrs at factory. Raw panels support custom cutting, laser engraving, hot bending, punching and gluing for customized display and storage products.

Stable Shape: Compact molecular structure brings excellent anti-deformation performance. The acrylic panel maintains complete shape and steady transparency when used for daily cabinet storage, cosmetic racks and indoor decorative separators.

Frequently Asked Questions

Can you produce according to the samples?

Of course, OEM welcome!

How can I get the sample?

Small samples are available for free, you only need to pay for shipping.

How long can I expect to get the sample?

We prepare samples within 3 days, with delivery typically taking 5-7 days.

What is your MOQ?

Minimum order quantity is 26 pieces for each size.

Do you test all your goods before delivery?

Yes, we have strict quality inspections and provide photos before shipment. Our dedicated R&D team ensures every product meets your requirements.

What is your lead time for mass production?

Normally 25-30 days.

What is your payment term?

We accept T/T, L/C, PayPal, and Western Union.

How do you pack the products?

Each sheet is covered by PE film or craft paper, then palletized in 1.5-ton packages.
