Featuring brilliant high-gloss luster and evenly mixed fine glitter, our custom size glitter acrylic sheet is tough and sturdy, fully scratch and wear resistant. It comes with outstanding anti-yellowing and anti-aging performance, paired with lightweight structure, which keeps stable sparkling effect for long-term commercial use.

Product Features

Glitter Appearance: Delicate texture with evenly distributed fine glitter creates brilliant high-gloss luster and soft sparkling light reflection.

Premium Material: This custom size acrylic sheet features great hardness and toughness, scratch resistant, wear resistant, anti-yellowing and anti-aging for stable long-term use.

Excellent Processability: Lightweight and dimensionally stable, easy to cut, drill, bend, polish and thermoform without damaging the original glitter effect.

Flawless Surface Quality: Good light transmittance, smooth glossy surface with no defects, fine tactile feel and premium visual presentation.

Long-lasting Gloss Retention: Maintains steady high shine and uniform glitter effect, not easy to fade or dull during long indoor and commercial use.

Our corporation has passed the strict quality system certification, like ISO9001, ISO14001, SGS and so on, properties like: Resistance to UV/Impact. Good processability, extraordinary resistance to scratch, high light transmittance, up to 93% and will not turn yellowish and fade at least 5-6 years.

We can provide free samples if you need, and you just pay freight.
