

Long Service Life Colored Acrylic Sheet with High Surface Hardness and UV Resistance for Exhibition Booths

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: SM
- Certification: ISO9001:2015,CE, DE,ROHS,REACH etc.
- Model Number: SM578
- Minimum Order Quantity: 2000kgs
- Price: 1-200kg, \$3/kg
- Packaging Details: PE film or Craft Paper
- Delivery Time: 25-30days
- Payment Terms: L/C,T/T,Western Union,Paypal
- Supply Ability: 2000PCS 25-30days

Product Specification

- Material: Acrylic
- Product: Cast Clear Acrylic Sheet
- Raw Material: 100% Virgin MMA
- Model: SM578
- Packing: PE Film Or Craft Paper
- Origin: Zhejiang, China
- Processing Service: Cutting, Moulding
- Color: Clear Or Any Custom Colors
- Light Transmission: High
- Customized: Accept OEM
- Chemical Resistance: Good
- Density: 1.20g/cm3
- Sample: Available
- Type: Cast Forming

Product Description

Hard Surface Colored Acrylic Sheet for Exhibition Booth Construction

Product Overview

As a wholesale factory specializing in hard surface colored acrylic sheets and colored perspex panels for exhibition booth construction, we utilize advanced cast molding processes to manufacture rigid, smooth colored PMMA sheets. Premium color masterbatch ensures consistent solid shades without uneven color or streaks across panels. This material features high surface hardness, outstanding wear resistance, and stable color retention, capable of enduring frequent touching, moving, and long-term exhibition lighting exposure.

Specifications

Place of Origin	Zhejiang, China
Brand Name	SM
Material	Acrylic
Size	1220*2440mm, 1220*1830mm and other custom sizes
Thickness	1.8-40mm
Raw Material	Lucite, Mitsubishi, Chinese materials
Grade	AAAAA
MOQ	2TONS
Technology	Cast
Certificate	ISO9001, CE, ROHS, etc.
Color	Clear or any custom colors
Delivery	15-30 days
Density	1.20g/cm ³
Sample	Available

Key Advantages

Thickness & Color Performance

Virgin PMMA raw material mixed with premium color masterbatch ensures stable thickness and even saturated shade for hard surface colored acrylic sheet, free of color streaks and with reliable light shielding performance. Multiple regular solid colors and tailor-made sizes are available for mass wholesale of exhibition booth construction materials.

Anti-Fade & Anti-Yellowing Performance

Special UV stabilizer and anti-yellowing additives are blended into the sheet to avoid color fading and yellow discoloration from long-term indoor exhibition lamp radiation. Hard surface colored perspex panels can maintain bright original color for a long time when applied to exhibition backdrop walls and booth partitions.

Surface Hardness & Texture Advantage

Flat and smooth hard surface colored acrylic sheets come in high gloss and matte two surface finishes. No warping or deformation after cutting, hot bending and bonding, greatly suitable for exhibition booth facade panels and display stand decorative surfaces.

Easy Machining Property

Long service life colored perspex panel supports laser cutting, drilling, polishing, thermal bending and engraving. Neat crack-free edges after processing, ideal for custom exhibition booth decorative components and exhibition display accessories.

Hard Surface & Wear Resistant Advantage

Superior surface hardness, wear resistance and collision resistance. The hard surface colored acrylic sheet is not easy to leave scratches during booth assembly; intact surface and uniform color can withstand frequent contact and minor collisions in long-term exhibition use.

Key Features

Fade Resistant

UV Resistant

Wear Resistant

Anti Yellowing

Impact Resistant

Crack Resistant

In short, we abide by the following principles:

1. Providing Best Service
2. High Quality Products
3. Fastest Production Lead-Time
4. Competitive Prices

Customer Feedback

收件人: amy <amy@rpoa.com.cn>

Dear Amy

Thnaks for your price.we plan to place one container this week. hope quality is same to before.

收件人: vicky <vicky@rpoa.com.cn>

hi vicky

how are you.

you are so nice,we received your samples, it's very good, we plan to place order, details will send to you later.

附件: 1个 (1.0 MB)

H. A. L.

I propose you, send 2 similar order one this month and other next month, but check the possibility give us better price, but with same quality in first order.

I want for you

Kind regards,

收件人: 吴小雅 <amy@rpoa.com.cn>

Dear Amy wu,
Have nice time

How many sheet can I add?we want one 20ft container

thank you

收件人: Amy <amy@rpoa.com.cn>

Dear Amy Wu,
Have nice time

we will send bank slip soon
and
please make proforma to this order:

Frequently Asked Questions

Can you produce according to the samples?

Of course, OEM welcome!

How can I get the sample?

Small samples are available for free, you only need to pay for shipping.

How long can I expect to get the sample?

We prepare samples within 3 days, with delivery typically taking 5-7 days.

What is your MOQ?

Minimum order quantity is 26 pieces for each size.

Do you test all your goods before delivery?

Yes, we have strict quality inspections and provide photos before shipment. Our dedicated R&D team ensures every product meets your requirements.

What is your lead time for mass production?

Normally 25-30 days.

What is your payment term?

We accept T/T, L/C, PayPal, and Western Union.

How do you pack the products?

Each sheet is covered by PE film or craft paper, then palletized in 1.5-ton packages.
