

Uniform Opaque Tone Colored Acrylic Sheet with Excellent Fine-Processing Performance and Superior Surface Flatness for Light Box

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: SM
- Certification: ISO9001:2015,CE, DE,ROHS,REACH etc.
- Model Number: SM597
- Minimum Order Quantity: 2000kgs
- Price: 1-200kg, \$3/kg
- Packaging Details: PE film or Craft Paper
- Delivery Time: 25-30days
- Payment Terms: L/C,T/T,Western Union,Paypal
- Supply Ability: 2000PCS 25-30days

Product Specification

- Material: Acrylic
- Product: Cast Clear Acrylic Sheet
- Raw Material: 100% Virgin MMA
- Model: SM597
- Packing: PE Film Or Craft Paper
- Origin: Zhejiang, China
- Processing Service: Cutting, Moulding
- Color: Clear Or Any Custom Colors
- Light Transmission: High
- Customized: Accept OEM
- Chemical Resistance: Good
- Density: 1.19-1.20g/cm3
- Sample: Available
- Type: Cast Forming
- Highlight: **Uniform Opaque Tone Colored Acrylic Sheet.**

Product Description

Opaque Colored Acrylic Sheet For Light Box

Colored Acrylic Sheet

Product Overview

As a manufacturer specializing in bulk opaque colored acrylic sheet solid-color PMMA for light box, we use mature cast molding to produce easy-process opaque colored acrylic sheets. High-grade color masterbatch guarantees even color penetration, preventing color deviation, surface defects and uneven light transmission.

This opaque solid-color PMMA features excellent light-diffusing properties and good workability. It supports laser cutting, engraving, drilling and polishing for light box panels and backlit sign parts. Custom sizes are available. Our bulk sheets maintain steady hue and smooth surface, ideal for long-term use in indoor light boxes, backlit signs, retail display panels, menu inserts and other backlight display fixtures.

Specifications

Place of Origin	Zhejiang, China
Brand Name	SM
Material	Acrylic
Size	1220*2440mm, 1220*1830mm and other custom sizes
Thickness	1.8-40mm
Raw Material	Lucite, Mitsubishi, Chinese materials
Grade	AAAAA
MOQ	2TONS
Technology	Cast
Certificate	ISO9001, CE, ROHS, etc.
Color	Clear or any custom colors
Delivery	15-30 days
Density	1.19-1.20g/cm³
Sample	Available

Key Advantages

- Uniform Opaque Tone & Stable Light-Blocking Performance:** Virgin PMMA resin blended with premium color masterbatch produces bulk opaque colored acrylic sheet with saturated, even opaque hue. High-grade pigment inhibits fading and color deviation, delivering steady light-blocking effect for light box and backlit sign manufacturing.
- Excellent Fine-Processing Performance for Backlit Fabrication:** Our bulk opaque colored acrylic PMMA sheets support laser engraving, precision cutting, drilling and edge polishing. The sheet resists brittle fracture during fine processing, allowing fabricators to make light box panels, backlit advertising signs and retail back-lit display components.
- Superior Surface Flatness After Precision Machining:** Optimized casting formula enables our opaque colored acrylic sheets to retain excellent flatness after cutting, engraving and bonding. Low warping rate after processing, perfectly suited for light box inserts, backlit menu boards and indoor backlight display applications.
- Custom Dimensions & Bulk Production Capacity:** These opaque solid color acrylic sheets come with custom thickness and sheet sizes to satisfy diverse light-box project requirements. Stable raw materials ensure consistent processing performance, fit for large-volume bulk orders and small-batch custom specification production.

Key Features

Weather Resistant

Shatterproof

Dustproof

Scratch Resistant

Impact Resistant

Deformation Resistant

Easy Fabrication

Frequently Asked Questions

Can you produce according to the samples?

Of course, OEM welcome!

How can I get the sample?

Small samples are available for free, you only need to pay for shipping.

How long can I expect to get the sample?

We prepare samples within 3 days, with delivery typically taking 5-7 days.

What is your MOQ?

Minimum order quantity is 26 pieces for each size.

Do you test all your goods before delivery?

Yes, we have strict quality inspections and provide photos before shipment. Our dedicated R&D team ensures every product meets your requirements.

What is your lead time for mass production?

Normally 25-30 days.

What is your payment term?

We accept T/T, L/C, PayPal, and Western Union.

How do you pack the products?

Each sheet is covered by PE film or craft paper, then palletized in 1.5-ton packages.
