Thickness	0.6-6mm
Grade	AAAAA
MOQ	2 TONS
Technology	Cast
Certificate	ISO9001, CE, ROHS, etc.
Color	Any custom colors
Delivery	15-30 days
Density	1.19-1.20g/cm³
Masking	PE film
Sample	Available

Key Advantages

- Even Color Reflection & Reliable Anti-Scratch Feature:** High-purity PMMA substrate delivers uniform vibrant colored-mirror reflection. Hardened surface protects the colored mirror coating from abrasion during exhibition booth assembly and repeated handling.
- Multiple Specifications & Rich Color Selectability:** Diverse mirror tones, thicknesses and standard sizes satisfy various commercial display and booth decoration requirements. Custom cutting according to customer drawings is available.
- Anti-Yellowing & Anti-Deformation:** Stable material formula prevents yellowing and warping. The mirror-effect panel keeps flat for long-term exhibition and commercial usage.
- Lightweight & Impact Resistant:** Much lighter than traditional glass mirror. It produces no sharp shards upon impact, greatly improving on-site safety for exhibition projects.

Product Features

Lightweight
Shatterproof
Scratch Resistant
Impact Resistant
Fade Resistant
UV Resistant

Frequently Asked Questions

Can you produce according to the samples?

Of course, OEM welcome!

How can I get the sample?

Small samples are available for free, you only need to pay for shipping.

How long can I expect to get the sample?

We prepare samples within 3 days, with delivery typically taking 5-7 days.

What is your MOQ?

Minimum order quantity is 26 pieces for each size.

Do you test all your goods before delivery?

Yes, we have strict quality inspections and provide photos before shipment. Our dedicated R&D team ensures every product meets your requirements.

What is your lead time for mass production?

Normally 25-30 days.

What is your payment term?

We accept T/T, L/C, PayPal, and Western Union.

How do you pack the products?

Each sheet is covered by PE film or craft paper, then palletized in 1.5-ton packages.

About Quzhou Perfect Plastic Material Company

Established in 2010, we are a professional cast acrylic sheet factory located in Quzhou City, Zhejiang Province. Our 27,729 square meter facility houses experienced staff with over 25 years of expertise and an annual capacity of 12,000 tons. We maintain a dedicated R&D team that develops products according to customer requirements.

We supply 100% virgin Lucite and Mitsubishi MMA acrylic sheets, as well as mixed material sheets at competitive prices. Our products meet strict quality certifications including ISO9001, ISO14001, and SGS, featuring UV/impact resistance, excellent processability, scratch resistance, and up to 93% light transmittance that remains stable for 5-6 years without yellowing or fading.

We offer OEM/ODM services for various acrylic products including boxes, desktop billboards, and signage. Committed to efficient service and timely delivery, we strive to be your long-term reliable partner.
