- Price: 1-200kg, \$3/kg
- Packaging Details: PE film or Craft Paper
- Delivery Time: 25-30days
- Payment Terms: L/C,T/T,Western Union,Paypal
- Supply Ability: 2000PCS 25-30days

Product Specification

- Material: Acrylic
- Product: Cast Clear Acrylic Sheet
- Raw Material: 100% Virgin MMA
- Model: SM611
- Packing: PE Film Or Craft Paper
- Origin: Zhejiang, China
- Processing Service: Cutting, Moulding
- Color: Clear Or Any Custom Colors
- Light Transmission: High
- Customized: Accept OEM
- Chemical Resistance: Good
- Density: 1.20g/cm3
- Sample: Available
- Type: Cast Forming
- Highlight: 2mm Thickness Colored Acrylic Sheet,

Product Description

2mm Colored Acrylic Sheet For Craft Art Ornament Processing

Product Overview

As a real manufacturer of 2mm colored acrylic sheet for craft art ornament processing, we control raw material screening and full in-house production process with fast lead time for standard stock. Custom colors, surface finishes and dimensions are available per client requests. Our export-grade quality meets craft-oriented processing demands across Southeast Asia, Middle East, Africa and Europe, widely used for art craft pieces, ornaments, decorative cut-outs, gift accessories, exhibition decorative parts, retail art displays and other craft-related projects.

MOQ	2TONS
Technology	Cast
Certificate	ISO9001, CE, ROHS, etc.
Color	Clear or any custom colors
Delivery	15-30 days
Density	1.20g/cm³
Sample	Available

Key Advantages

Precise Dimension Consistency for Craft Processing

Made of virgin PMMA resin, our 2mm colored acrylic sheet targets craft art and ornament processing projects. Rigid extrusion control ensures precise thickness and size tolerance. Sheets fit laser-cut craft works and ornament assemblies with minimal secondary trimming.

Uniform Through-Body Color & Anti-Fading Performance

Adopting integral coloring technology, this 2mm sheet achieves solid through-body color with low internal color deviation. High-quality color masterbatch prevents discoloration and fading under long-time indoor lighting, keeping stable visual effect for finished ornaments.

Excellent Processability for Ornament Fabrication

Our 2mm colored acrylic sheet supports laser cutting, drilling, polishing, hot bending and gluing. It avoids chipping and cracking during processing, easy to be made into art crafts, gift accessories and decorative components for efficient production.

High Flatness & Stable Physical Properties

Precision-extruded 2mm acrylic sheet owns great flatness and stable hardness. Low thermal deformation reduces warping risk under normal indoor environment, suitable for long-term placement of craft ornaments.

Wide Compatibility for Multiple Craft Scenarios

Good scratch resistance and corrosion resistance make this 2mm colored acrylic sheet perfect for art ornaments, decorative cut-outs, gift accessories, exhibition decor parts and retail craft displays to meet diverse craft-processing demands.

Key Features

Lightweight

UV Resistant

Fade Resistant

Heat Resistant

Corrosion Resistant

Frequently Asked Questions

Can you produce according to the samples?

Of course, OEM welcome!

How can I get the sample?

Small samples are available for free, you only need to pay for shipping.

How long can I expect to get the sample?

We prepare samples within 3 days, with delivery typically taking 5-7 days.

What is your MOQ?

Minimum order quantity is 26 pieces for each size.

Do you test all your goods before delivery?

Yes, we have strict quality inspections and provide photos before shipment. Our dedicated R&D team ensures every product meets your requirements.

What is your lead time for mass production?

Normally 25-30 days.

What is your payment term?

We accept T/T, L/C, PayPal, and Western Union.

How do you pack the products?

Each sheet is covered by PE film or craft paper, then palletized in 1.5-ton packages.
