- Model Number: SM613
- Minimum Order Quantity: 2000kgs
- Price: 1-200kg, \$3/kg
- Packaging Details: PE film or Craft Paper
- Delivery Time: 25-30days
- Payment Terms: L/C,T/T,Western Union,Paypal
- Supply Ability: 2000PCS 25-30days

Product Specification

- Material: Acrylic
- Product: Cast Clear Acrylic Sheet
- Raw Material: 100% Virgin MMA
- Model: SM613
- Packing: PE Film Or Craft Paper
- Origin: Zhejiang, China
- Processing Service: Cutting, Moulding
- Color: Clear Or Any Custom Colors
- Light Transmission: High
- Customized: Accept OEM
- Chemical Resistance: Good
- Density: 1.19-1.20g/cm3
- Sample: Available
- Type: Cast Forming
- Highlight: **High Flatness Colored Acrylic Sheet,**

Product Description

Solid Colored Acrylic Sheet Bulk Stock For Wholesale Manufacturer Supply

Product Overview

As a real manufacturer of solid colored acrylic sheet bulk stock for wholesale supply, we control raw material selection and full in-house production for fast lead-time on standard stock. Custom colors, surface finishes and dimensions are available upon request. Our export-grade quality serves Southeast Asia, Middle East, Africa and Europe. Sheets widely used for signage, display fixtures, booth parts, furniture components, retail decoration and bulk-order advertising projects.

Color	Clear or any custom colors
Delivery	15-30 days
Density	1.19-1.20g/cm ³
Sample	Available

Key Advantages

Precise Dimension Consistency for Bulk Wholesale Fabrication - Made from virgin PMMA resin, our bulk-supply solid colored acrylic sheet suits signage, display and furniture fabrication. Strict extrusion guarantees accurate thickness and size tolerance for mass laser cutting with little secondary trimming.

Uniform Through-Body Color & Anti-Fading Performance - Integral coloring delivers low-deviation solid through-body color. Premium masterbatch resists discoloration and fading indoors and mild outdoors, keeping stable appearance for mass-produced parts.

Excellent Processability for Mass-Order Production - This solid colored acrylic sheet supports laser cutting, drilling, polishing, hot bending and bonding. Less chipping and cracking during high-volume processing for efficient production of signage, display and advertising components.

High Flatness & Stable Physical Properties - Precision-extruded sheet features good flatness and steady hardness. Low thermal deformation minimizes warping under normal conditions for long-life wholesale finished goods.

Wide Compatibility for Multi-Scene Bulk Applications - Decent scratch and corrosion resistance makes our bulk-stock solid colored acrylic sheet fit signage, booth parts, furniture components, retail decor and advertising projects to meet diverse wholesale demands.

Frequently Asked Questions

Can you produce according to the samples?

Of course, OEM welcome!

How can I get the sample?

Small samples are available for free, you only need to pay for shipping.

How long can I expect to get the sample?

We prepare samples within 3 days, with delivery typically taking 5-7 days.

What is your MOQ?

Minimum order quantity is 26 pieces for each size.

Do you test all your goods before delivery?

Yes, we have strict quality inspections and provide photos before shipment. Our dedicated R&D team ensures every product meets your requirements.

What is your lead time for mass production?

Normally 25-30 days.

What is your payment term?

We accept T/T, L/C, PayPal, and Western Union.

How do you pack the products?

Each sheet is covered by PE film or craft paper, then palletized in 1.5-ton packages.
