

Customizable Color High Light Transmission Good Chemical Resistance Colored Clear Acrylic Sheet PMMA Panel

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: SM
- Certification: ISO9001:2015,CE, DE,ROHS,REACH etc.
- Model Number: SM643
- Minimum Order Quantity: 2000kgs
- Price: 1-200kg, \$3/kg
- Packaging Details: PE film or Craft Paper
- Delivery Time: 25-30days
- Payment Terms: L/C,T/T,Western Union,Paypal
- Supply Ability: 2000PCS 25-30days

Product Specification

- Material: Acrylic
- Product: Cast Clear Acrylic Sheet
- Raw Material: 100% Virgin MMA
- Model: SM642
- Packing: PE Film Or Craft Paper
- Origin: Zhejiang, China
- Processing Service: Cutting, Moulding
- Color: Customizable
- Light Transmission: High
- Customized: Accept OEM
- Chemical Resistance: Good
- Density: 1.19-1.20g/cm³
- Sample: Available
- Type: Cast Forming
- Highlight: Customizable Color Colored Clear Acrylic Sheet

Product Description

Colored Clear Acrylic Sheet for Vending Machine Window

Colored Clear Acrylic Sheet for Vending Machine Window is a tinted PMMA panel specifically designed for vending machine window applications. This colored see-through acrylic sheet supports laser cutting, routing, drilling, and flame polishing for smooth edges. Custom cut sizes are available to match vending window and cabinet dimensions.

Its flat uniform surface enables solid bonding for frame assembly. Excellent flexibility and impact resistance prevent cracking during processing and installation. The stable finish withstands long-term indoor and semi-outdoor use. The colored tint maintains light transmission while highlighting displayed products. Suitable for vending machine viewing windows, equipment protective covers, kiosk window shields, and self-service machine transparent parts.

Specifications

Place of Origin	Zhejiang, China
Brand Name	SM
Material	Acrylic
Size	1220*2440mm, 1220*1830mm and other custom sizes
Thickness	1.8-40mm

Grade	AAAAA
MOQ	2TONS
Technology	Cast
Certificate	ISO9001, CE, ROHS, etc.
Color	Any custom colors
Delivery	15-30 days
Density	1.19-1.20g/cm ³
Sample	Available

Key Advantages

Rich Colored Transparent Shade: Premium color pigments are fully mixed into PMMA resin. Consistent tint tone and well-balanced light transmission over the entire sheet, delivering clear visual presentation for vending machine window applications.

Superb Machinability: Colored clear acrylic panel supports laser cutting, routing, drilling, flame polishing and adhesive bonding. Custom cut sizes fit diverse vending machine window and cabinet fabrication demands.

Reliable Color & Surface Performance: High-grade PMMA raw material provides good anti-fading property. It keeps steady color and sleek surface under long-term indoor and semi-outdoor service of self-service equipment.

High Impact Toughness: Optimized sheet strength lowers breakage risks during cutting, processing and field installation, cutting material loss when manufacturing vending machine transparent window parts.

Product Features

Crack Resistant UV Resistant Weather Resistant Fade Resistant Impact Resistant Lightweight

Frequently Asked Questions

Can you produce according to the samples?

Of course, OEM welcome!

How can I get the sample?

Small samples are available for free, you only need to pay for shipping.

How long can I expect to get the sample?

We prepare samples within 3 days, with delivery typically taking 5-7 days.

What is your MOQ?

Minimum order quantity is 26 pieces for each size.

Do you test all your goods before delivery?

Yes, we have strict quality inspections and provide photos before shipment. Our dedicated R&D team ensures every product meets your requirements.

What is your lead time for mass production?

Normally 25-30 days.

What is your payment term?

We accept T/T, L/C, PayPal, and Western Union.

How do you pack the products?

Each sheet is covered by PE film or craft paper, then palletized in 1.5-ton packages.
