Product Description

Colored Acrylic Sheet for Exhibition Booth Fabrication

Product Overview

As a professional manufacturer of colored acrylic sheets, we supply premium solid PMMA acrylic plates for bulk orders and OEM exhibition booth fabrication projects. Produced with pure virgin PMMA raw materials in our own factory, our acrylic plates deliver stable color tone, reliable impact resistance and flat flawless surfaces.

We keep sufficient inventory to support prompt bulk delivery and offer flexible OEM customization for dimensions, surface finishes and color options. Our export-quality colored acrylic sheets are widely shipped to Southeast Asia, the Middle East, Africa and Europe. They are well suited for exhibition backdrop panels, booth partition boards, display counter cladding, sign panels, booth decorative trim and various temporary exhibition structure applications.

Sample	Available

Key Advantages

High Visual Clarity for Exhibition Booth Display: Carefully blended pigments deliver vivid, uniform color across the acrylic sheet. It creates eye-catching visual effects for booth backdrops, showcase panels and decorative dividers.

Reliable Surface Finish for Event Installation: The polished acrylic surface resists minor scratches during transport and on-site assembly. It maintains a neat appearance for short-term exhibition events and trade show setups.

Flexible Customization for Diverse Booth Designs: Our colored acrylic sheet can be tailored in sizes, transparency grades and surface textures. It fits custom booth builds, branded sign panels and bespoke display counter facings.

Good Weather Stability for Indoor Trade Shows: Formulated to resist color shift under indoor lighting. The PMMA sheet retains its original hue throughout multi-day exhibition events without discoloration.

Key Features

- Scratch Resistant
- Impact Resistant
- Fade Resistant
- Lightweight
- Chip Resistant

Frequently Asked Questions

Can you produce according to the samples?

Of course, OEM welcome!

How can I get the sample?

Small samples are available for free, you only need to pay for shipping.

How long can I expect to get the sample?

We prepare samples within 3 days, with delivery typically taking 5-7 days.

What is your MOQ?

Minimum order quantity is 26 pieces for each size.

Do you test all your goods before delivery?

Yes, we have strict quality inspections and provide photos before shipment. Our dedicated R&D team ensures every product meets your requirements.

What is your lead time for mass production?

Normally 25-30 days.

What is your payment term?

We accept T/T, L/C, PayPal, and Western Union.

How do you pack the products?

Each sheet is covered by PE film or craft paper, then palletized in 1.5-ton packages.
