

Rigid Colored Clear Acrylic Sheet PMMA Panel Customizable for POP Displays

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: SM
- Certification: ISO9001:2015,CE, DE,ROHS,REACH etc.
- Model Number: SM648
- Minimum Order Quantity: 2000kgs
- Price: 1-200kg, \$3/kg
- Packaging Details: PE film or Craft Paper
- Delivery Time: 25-30days
- Payment Terms: L/C,T/T,Western Union,Paypal
- Supply Ability: 2000PCS 25-30days

Product Specification

- Material: Acrylic
- Product: Cast Clear Acrylic Sheet
- Raw Material: 100% Virgin MMA
- Model: SM648
- Packing: PE Film Or Craft Paper
- Origin: Zhejiang, China
- Processing Service: Cutting, Moulding
- Color: Customizable
- Light Transmission: High
- Customized: Accept OEM
- Chemical Resistance: Good
- Density: 1.20g/cm3
- Sample: Available
- Type: Cast Forming
- Highlight: Rigid Clear Acrylic Sheet, Colored PMMA Panel.

Product Description

Rigid Colored Clear Acrylic Sheet for Point of Purchase Display

Colored Clear Acrylic Sheet is a tinted PMMA panel specifically designed for retail POP display applications. This colored see-through acrylic sheet supports laser cutting, routing, drilling, and flame polishing for clean finished edges. Custom cut sizes are available to match retail shelf stands and POP display fixture dimensions.

Its flat uniform surface enables strong adhesive bonding for display assembly. Excellent rigidity and impact resistance prevent bending or cracking during fabrication and on-site installation. The stable surface finish withstands repeated handling and long-term indoor retail display use. The colored tint retains good light transmission while enhancing product visual appeal on store counters. Suitable for POP display back panels, retail shelf dividers, product display risers, countertop sign inserts, merchandise display holders, and store promotional transparent display components.

Specifications

Place of Origin	Zhejiang, China
Brand Name	SM
Material	Acrylic
Size	1220*2440mm, 1220*1830mm and other custom sizes
Thickness	1.8-40mm

Grade	AAAAA
MOQ	2TONS
Technology	Cast
Certificate	ISO9001, CE, ROHS, etc.
Color	Any custom colors
Delivery	15-30 days
Density	1.20g/cm ³
Sample	Available

Key Advantages

Rich Tinted Transparency

High-performance color masterbatch is fully integrated into PMMA resin during extrusion. Even color dispersion across the entire sheet with tunable light permeability, generating eye-catching visual layers for retail POP display builds.

Wide Machining Adaptability

This rigid colored clear acrylic sheet works well with laser marking, precision sawing, edge sanding, tapping and adhesive assembly. Custom blank sizes cater to diverse counter display and shop fixture fabrication demands.

Long-Lasting Color Integrity & Surface Finish

High-purity PMMA composition provides excellent anti-fading property. The sheet retains smooth texture and uniform tint under continuous indoor retail exposure and regular touch for commercial display projects.

Superior Structural Toughness

Engineered rigid acrylic formula lessens chipping risks during cutting, shaping and site mounting. It cuts material waste while producing transparent display panels for retail merchandise presentation.

Product Features

Impact Resistant
Easy Fabrication
Fade Resistant
UV Resistant
Weather Resistant
Lightweight

Customer Feedback

收件人: amy <amy@rpoa.com.cn>

Dear Amy

Thnaks for your price,we plan to place one container this week. hope quality is same to before.

收件人: vicky <vicky@rpoa.com.cn>

hi vicky

how are you.

you are so nice,we received your samples, it's very good, we plan to place order, details will send to you later.

附件: 1个 (1.0 MB)

H. Aty.

I propose you, send 2 similar order one this month and other next month, but check the possibility give us better price, but with same quality in first order.

I wait for you.

Kind regards,

收件人: 吴小雅 <amy@rpoa.com.cn>

Dear Amy wu,
Have nice time

How many sheet can I add?we want one 20ft container

thank you

收件人: Amy <amy@rpoa.com.cn>

Dear Amy Wu,
Have nice time

we will send bank slip soon
and

please make prororma to this order:

Frequently Asked Questions

Can you produce according to the samples?

Of course, OEM welcome!

How can I get the sample?

Small samples are available for free, you only need to pay for shipping.

How long can I expect to get the sample?

We prepare samples within 3 days, with delivery typically taking 5-7 days.

What is your MOQ?

Minimum order quantity is 26 pieces for each size.

Do you test all your goods before delivery?

Yes, we have strict quality inspections and provide photos before shipment. Our dedicated R&D team ensures every product meets your requirements.

What is your lead time for mass production?

Normally 25-30 days.

What is your payment term?

We accept T/T, L/C, PayPal, and Western Union.

How do you pack the products?

Each sheet is covered by PE film or craft paper, then palletized in 1.5-ton packages.
