- Price: 1-200kg, \$3/kg
- Packaging Details: PE film or Craft Paper
- Delivery Time: 25-30days
- Payment Terms: L/C, T/T, Western Union, Paypal
- Supply Ability: 2000PCS 25-30days

Product Specification

- Material: Acrylic
- Product: Cast Clear Acrylic Sheet
- Raw Material: 100% Virgin MMA
- Model: SM659
- Packing: PE Film Or Craft Paper
- Origin: Zhejiang, China
- Processing Service: Cutting, Moulding
- Color: Clear Or Any Custom Colors
- Light Transmission: High
- Customized: Accept OEM
- Chemical Resistance: Good
- Density: 1.19g/cm³
- Sample: Available
- Type: Cast Forming
- Highlight: **Opaque Colored Acrylic Sheet,**

Product Description

Product Overview

As a professional manufacturer of opaque colored acrylic sheets for signage projects, we supply high-quality PMMA panels for bulk orders and OEM sign fabrication. Made from pure virgin PMMA raw materials, our sheets deliver consistent opaque color, great gloss, and smooth flat surfaces.

We keep sufficient stock for fast bulk delivery and offer flexible OEM customization on sizes, textures, and colors. Our export-grade opaque colored acrylic sheets are sold to Southeast Asia, the Middle East, Africa, and Europe. They suit outdoor and indoor signage, letter signs, wall sign panels, retail store signs, advertising display boards, and brand logo backplates for commercial signage projects needing premium appearance and long-term weather resistance.

Technical Specifications

Technology	Cast
Certificate	ISO9001, CE, ROHS, etc.
Color	Clear or any custom colors
Delivery	15–30 days
Density	1.19g/cm ³
Sample	Available

Key Advantages

Premium Opaque Color Effect for Signage Production

Our opaque colored acrylic sheet delivers solid non-transparent color for indoor and outdoor sign making. It blocks light penetration and presents vivid uniform color for brand letter signs and advertising boards.

Excellent Weather Resistance for Long-Term Sign Applications

The opaque colored acrylic sheet withstands UV exposure and temperature changes. It prevents color fading and surface yellowing for outdoor signage that needs stable performance over years.

Smooth Flawless Surface for Precision Fabrication

This opaque acrylic panel features a smooth blemish-free surface. It can be cut, engraved, routed, and polished for logo signs without cracks or rough cut edges.

Rich Color & Size Options for Custom Sign Projects

We provide a wide range of opaque colors, sheet thicknesses, and dimensions for colored acrylic sheets. Customers can select proper specs to match custom signage and advertising display requirements.

Rigid & Lightweight for Easy Sign Mounting

Compared with metal and stone sign materials, opaque colored acrylic sheet is rigid yet lightweight. It reduces installation load and simplifies mounting work for large wall sign panels.

Key Features

UV Resistant

Weather Resistant

Scratch Resistant

Fade Resistant

Lightweight

Easy to Install

Frequently Asked Questions

Can you produce according to the samples?

Of course, OEM welcome!

How can I get the sample?

Small samples are available for free, you only need to pay for shipping.

How long can I expect to get the sample?

We prepare samples within 3 days, with delivery typically taking 5–7 days.

What is your MOQ?

Minimum order quantity is 26 pieces for each size.

Do you test all your goods before delivery?

Yes, we have strict quality inspections and provide photos before shipment. Our dedicated R&D team ensures every product meets your requirements.

What is your lead time for mass production?

Normally 25–30 days.

What is your payment term?

We accept T/T, L/C, PayPal, and Western Union.

How do you pack the products?

Each sheet is covered by PE film or craft paper, then palletized in 1.5-ton packages.
